At Logie Steading...

**BOOK BINDING FROM SCRATCH and
BOOK REPAIR**

March 15th, 16th and 17th at Logie Steading,
Forres (near Inverness and Nairn)

These two courses will run simultaneously
since 2 lecturers will be on hand. Although
suitable for beginners who are keen to receive
a good introduction to book binding skills and
to making books from scratch, some students
will want to continue with more challenging
structures or pursue further book repair work.
There's lots of scope to learn new techniques,
including tooling and leather-work, as well as
exploring some new (*and yes, fashionable!*)
colourful materials.

Laing at Logie Steading directly:
